

All-Time Lettermen – Baseball

SFA fielded an organized baseball team through the early 1950's as part of the Athletic Department. The team was disbanded in the early 1950's. Baseball returned to SFA as a club sport in 1970-71 and continued as a club sport through the 1973-74 season when it operated as part of the SFA Intramural Department and not the SFA Athletic Department. During the 1974-75 school year, SFA again fielded an intercollegiate baseball team under the Athletic Department. The program continued through the 1994-95 school year. At this time, our list of lettermen is still being updated. If you are a baseball letterman and not included on this list, please contact us so we may update our records.
